NOTE 1:

1. For scholarships for Dean's list students, high school valedictorian and salutatorian, added attachments are needed. An Official Recommendation letter is prepared by the Registrar's Office for the Dean's list students while a certification of being a valedictorian or a salutatorian graduate is required from the high school head.
2. Only full-time undergraduate, graduate or doctoral (or similar) students are eligible to apply for scholarship. Incoming students need to complete the admission application.
3. For requirements of all the scholarship available in the university, refer to University-funded Scholarships/grants. For further information, visit scholarship office.
4. Announcements regarding scholarship acceptance are posted on the bulletin board around the university one week after the enrollment process. For any delay due to unavoidable circumstances, an announcement is posted on OSA's bulletin board.
5. For university-funded scholarship, all documented requirements must be accurate and complete. Failure to do so may result in an application not being processed or to an award being terminated if documentation or information provided is later determined to be false.
6. For externally-funded scholarships, applicants must submit the requirements directly to the designated office of the sponsoring agency. However, there are arrangements where the externally-funded agency allows the initial screening process to be conducted by the university.

NOTE 2:

1. Application screening is based on the University's or the sponsoring agency's selection criteria, keeping in view the eligibility requirements and selection criteria of each scholarship. In the evaluation process, the university or sponsoring agency may contact the applicants for further information.
2. Selection criteria vary among sponsoring agencies.
3. University has no direct control to the selection process of the sponsoring agency.

NOTE 3:

1. For university-funded scholarship application, applications are forwarded to the Unit in-charge for evaluation and recommendation. For scholarships from the University's Culture and Arts and Sports units, the applications are forwarded for auditions or try-outs and recommendations.
2. After due evaluation, the application will be submitted to the OSAS/Campus Director for final action. If not, report is reviewed again and suggestions and requests of the scholarship Head are considered.
3. For Student Assistantship application, the scholarship Head will verify documented requirements and countersigns below the name of the director to signify compliance.
4. List of Qualified Scholars/Grantees for a specific externally-funded scholarship/grant shall be submitted to scholarship Coordinator/Head for verification.

NOTE 4:

1. Approved report is posted on the bulletin board near scholarship office to inform all applicants of the outcome of the selection process.
2. Ensure that all successful applicants are informed.
3. Discuss the following information to the recipients of the scholarship:
 - a. Coverage of the scholarship and other relevant information
 - b. Details regarding the release of grant
 - c. Requirements (for award of the scholarship)
 - d. Requirements to keep the scholarship

NOTE 1:

1. The university shall evaluate the performance of every scholar, at the end of each semester, based on the scholastic records through the CSU online Information System. Failure to comply with the requirements of the scholarship means disqualification from the scholarship.
2. Random interviews with the advisers and peers of every scholar are conducted to gather and verify information.
3. Beneficiary of the scholarship who shows negligence or inappropriate behavior during the semester is interviewed personally to address the issues.
